

Earth Day  
Scavenger Hunt-  
Freebie!!

The Busy Class

Name: \_\_\_\_\_

# Earth Day

## Scavenger Hunt

Find 3 different kinds of leaves and make rubbings with a crayon.

Find 3 different kinds of flowers. Record their locations (on the back) or take a photograph!

Find at least 2 of the following: interesting shaped rocks, acorns, or pinecones.

Pick up 5 pieces of litter. Recycle them if possible, or throw them away.

Look quietly and spot 3 different types of wildlife. Record their names or take photographs.

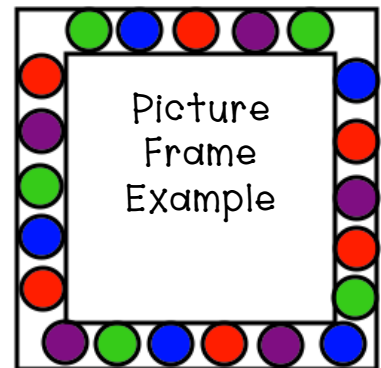

## Directions:

1. Print Scavenger Hunt. Laminate if you want to reuse each year and discuss with your class how this will save paper.
2. Allow students to work in teams of 2 or 3. Younger students may need an adult with them.
3. Provide students with a camera (iPad, iPod Touch, iPhone...) or pencil to record locations of flowers and types of animals (dry-erase marker if you laminated the paper).
4. Provide students with crayon for leaf rubbings and extra paper.

## Other Earth Day Ideas:

- Collect twigs. Use hot glue to make a frame out of them. Students can color a picture or put a photograph inside.
- Make posters to hang around school reminding others to not litter, or recycle cans and plastic bottles.
- Have students bring in empty cans and then decorate to use as pencil/pen holders and have students distribute to other teachers around school or take home as gifts for Mother's Day.
- Have students bring in bottle caps (soda, milk, orange juice bottles, etc) and use them to decorate a piece of cardboard to create a picture frame. Or use them as game pieces.

I hope you enjoy using this freebie. Please leave feedback on my TpT store and check out my other Earth Day products. Email me with any questions: [thebusyclass@gmail.com](mailto:thebusyclass@gmail.com)
