Children's books read by celebrities.

<https://www.starfall.com>

While some areas of Starfall are part of their premium service, they have many early reader stories available for free. Students can follow along as the story is read to them and can, in some instances, help create their own story. The website is highly engaging and a favorite of young readers.

<https://www.abcya.com>

Children can listen to short stories read aloud to them as they follow along with the highlighted text. ABCya! has a variety of educational games in addition to the featured stories. Free resources and materials are available for grades K through 5.

<https://www.readtomeintl.org>

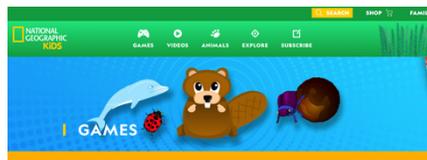

Similar to Storyline Online, Read to Me features popular children's books being read by famous performers. There are activity guides with hands-on ideas, discussion questions, and lesson plans that can easily be adapted to the Common Core State Standards. Entirely free, the site is colorful and engaging.

<https://ngexplorer.cengage.com>

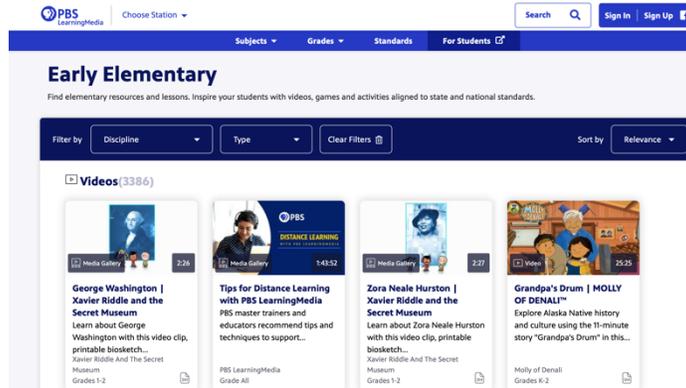

National Geographic Young Explorers is a magazine designed specifically for kindergarten and first grade students. Children can listen to the magazine being read to them as they follow along with the highlighted text. It is a great way to bring interesting non-fiction stories into reading center time.
